Headmaster's Statement

As the month of November rolls around, thoughts along the avenue turn towards the renewal of perhaps the oldest and finest rivalry in schoolboy athletics. The friendly rivalry that exists between these two great secondary schools is a source of pride to every member of each school's community. The spirit, enthusiasm and determination of the students attending these two fine educational institutions is as great now as it was when this series first began. I commend the dedication of the coaches and players of both schools. Let us continue the tradition of school excellence and good sportsmanship which has existed through the long and brilliant history of each school.

Coach Costello's Statement

This season has been a difficult and disappointing one for the Wolfpack. The dividing of the school into two sites; the on-going construction, injuries to key personnel, and young and inexperience players have taken its toll on the team.

The players have remained spirited and have shown improvement each week. Led by Capt. Walt. Apperwhite, who did a fine job of leadership, the team is building for next year.

I am very grateful to my Assistant Coaches defensive coordinator, Frank Casey, John McDonough, and Brian Fennell for all their efforts and extra hours.

Special thanks to Pat & Jack Bench, Mike and Peg Kelly and all the parents of the Gridiron Club for their support and help with the team.

LATIN FIGHT SONG

On the Field of many colors
Latin's banners fly
Cheer on,
cheer like volley thunder
Echos to the sky
See the Latin team advancing
Gaining more and more
So we'll fight, fight, fight
With all our might
Dear Old Latin evermore.

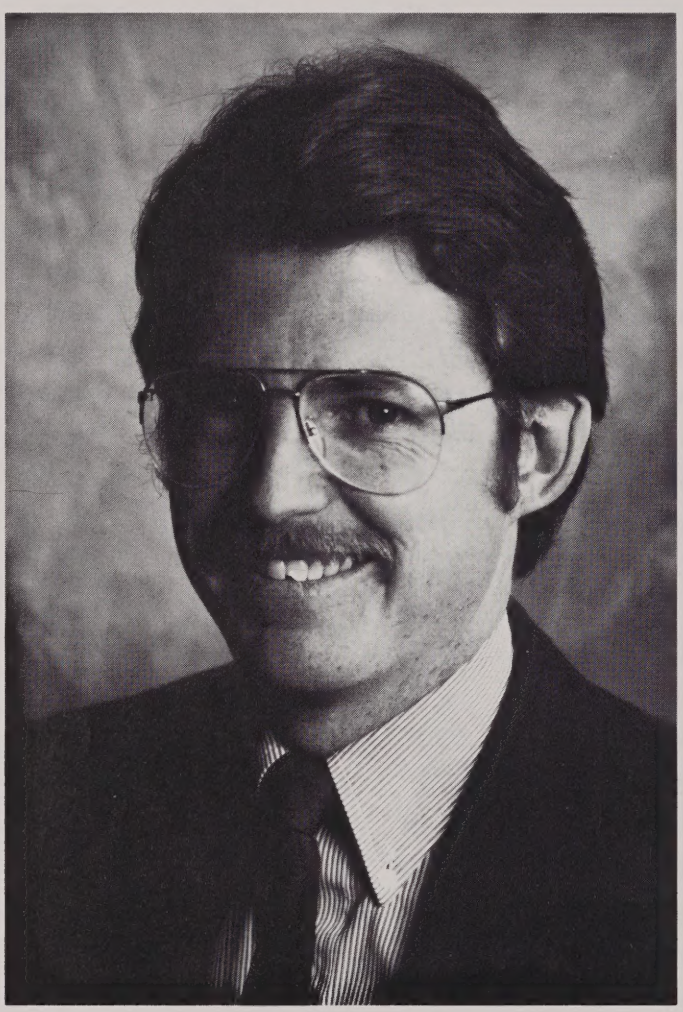
Thanksgiving Day Game Message



For each of the past four years, I've had the pleasure of writing this brief Thanksgiving Day message. Each year, I've tried to inspire our guys on to victory, in any number of ways. I've extolled the virtues of representing English High School in this annual gridiron classic. I've highlighted the sense of tradition that's a cornerstone of our long-standing rivalry with the Latin School, and our athlete's responsibility to uphold that tradition (read "win the game"). I've even promised our guys dinner if they could come away with a victory. All for naught; 0-4 since my arrival in 1984. Maybe if I turn the tables and wish Latin the very best of luck, our fortunes might change.

Given my success to date, I'd like only to wish everybody the very happiest of Thanksgiving days. I pray for blue skies, sunshine, warm weather, a tasty turkey . . . and one more point than that other school. Get 'em guys!

Respectfully yours,
Sid Smith
Headmaster

BOSTON ENGLISH: *Achievers*

COACH PARKER'S STATEMENT

Our 1988 season has been a very successful one due to the commitment of our team members, their spirit and enthusiasm. I would like to also extend my sincere appreciation to my assistants John Sousa, George Farro, and Ken Still as well as our Alumni for their support and assistance.

At this time, I would like to bring recognition to the memorial patch on the left sleeve of our game uniform. The logo "Stew '37" on our jerseys is a tribute to the late English High Coach and Athletic Director, Bill Stewart. This year's team has dedicated its season to former Coach Stewart's memory.

Our thoughts will be with Coach Stewart's family this morning as the 102nd meeting of our great rivalry with Latin School commences. Our efforts on the field this morning are aimed at a victory a result of the battle worthy. A victory that all of the English High family will be proud.
